

# MDG PRIVACY POLICY

MDG is developed and published by a leading Nigerian software company (mobile software solutions). MDG respects your (“You”) privacy. We kindly ask You to carefully read this description of data file (“Privacy Policy”) before visiting the shop [mobilesoftware.com.ng](http://mobilesoftware.com.ng)

This Privacy Policy defines how the information You provide to MDG through the website, via MDG customer support or by means of Your other interactions with MDG is processed (hereinafter collectively referred to as the “Service”). The Service is made available by Mobile Software Solutions, Nigeria Business Identity Code.

By using the Service You accept the terms and conditions of this Privacy Policy and give Mobile Software Solutions Your explicit and informed consent to the processing of Your personal data in accordance with this Privacy Policy as well as the disclosures of such data in accordance with Section 7 (Disclosures of Personal Data) of this Privacy Policy. If You do not accept the processing of personal data in accordance with this Privacy Policy, You should not use the Service.

If You are under 10 years of age or a minor in your country of residence, please ask Your legal guardian to complete your registration to the Service for you.

Mobile Software Solutions reserves the right to reasonably amend this file description so please review it frequently. Mobile Software Solutions will notify You of substantial amendments via the Service. Your continued use of the Service after such notice shall be deemed as Your acceptance of the amendments.

## **1 Data Controller**

Mobile Software Solutions

Address: 15b, Awolowo road, ikoyi, Lagos, Nigeria.

## **2 Person in Charge for Matters pertaining to this Privacy Policy**

Chris Uwaje

E-mail: [uwajenet@gmail.com](mailto:uwajenet@gmail.com)

## **3 Name of the Personal Data File**

The name of the personal data file is the “MDG”

## **4 Purpose of the Processing of Personal Data**

The purpose of the processing of personal data is to manage and maintain the customer relationships between Mobile Software Solutions and its customers. The personal data is used to identify users of the Service and for the activation, execution, management and invoicing of the Service as well as for the providing of information and notifications to the customers. Further, Your personal data may be used for the purposes of direct marketing, provided that You have consented to this, as well as for investigation and follow up in cases of misuse.

Personal data may also be used for the planning and development of mobile Software Solutions business and services and to measure the amount of customers using the Service. In addition, Mobile Software Solutions may use and disclose personal data contained in the data file for justifiable purposes (such as direct marketing, distance selling, other direct advertising, opinion polls or marketing research) in accordance with the Nigeria Personal Data Act, the Nigeria Act on the Protection of Privacy in Electronic Communications and other applicable legislation.

## **5 Information MDG collects from You**

MDG collects the following information from You: Your contact information such as e-mail address, delivery address and other contact information that You may have provided to Mobile Software Solutions. Further, MDG collects certain personal information regarding Your order, such as payment information, ordered Products, shipment method and Product order number. MDG may also collect other personal information that You have submitted to MDG in connection with the use of the Service.

Mobile Software Solutions may use third party tools or service providers in order to track Your visits to the

Service and Your actions and movements within the Service (such as time, location within the Service and IP address) as well as movements to the Service from another website and movements from the Service to another website as well as computer-specific ID (the ID of the computers on which You have logged in to the Service) and information regarding Your browser type and Your operating system ("Traffic Data").

Mobile Software Solutions takes children's privacy seriously, and encourages parents and/or guardians to play an active role in their children's online experience at all times. MDG does not knowingly collect any personal information from children below the age of 5 and if MDG learns that MDG has inadvertently gathered personal data from children under the aforementioned age, MDG will take reasonable measures to promptly erase such personal data from Mobile Software Solutions' records.

## **6 Regular Sources of Information**

The personal data in the Data File is acquired from You when You use the Service. Further, personal data may be acquired from You when You contact Mobile Software Solutions via e-mail or by another equivalent means of communication with regard to the Service.

MDG may use cookies for the purposes of acquiring Your information. Cookies are small pieces of information stored on Your computer by means of the web browser You use. No personal data is stored on the cookies themselves.

## **7 Disclosures of Personal Data**

Mobile Software Solution does not disclose personal data contained in the Data File to third parties on a regular basis. Personal data may, however, occasionally be disclosed in accordance with the laws of Nigeria. Further, personal data may be disclosed for research and marketing purposes (including direct marketing) provided that You have consented to this.

MDG may transfer Your personal data to its affiliates outside the Africa. Further, MDG may disclose Your data to companies that Mobile Software Solutions plans to merge with or be acquired by, such disclosures however being subject to the requirement that the company in question follows this Privacy Policy with respect to your personal data.

Mobile Software Solution is entitled to use subcontractors in connection with the provision and development of the Service in order to better provide the Service to You. In this context personal data may be transferred to subcontractors to the extent that this is necessary for the fulfillment of the services, including but not limited to the storage of data on a server maintained by a third party on assignment by Mobile Software solution or for the purposes of analyzing Traffic Data in order for Mobile Software Solution to better understand how the users of the Service interact with it ("Subcontracting"). This may involve the transfer of data to countries outside the Africa which may not have similar laws governing the privacy and protection of personal data as those of the Member States of the Africa. Such data transfers will however only be made if they are necessary for and proportionate to the performance or conclusion of an agreement in Your interest between MDG and a third party or the performance of an agreement between Mobile Software Solution and You.

## **8 Correctness of Data and Data Retention**

Mobile Software Solution does not verify the correctness of the personal data. The data relating to the use of the Service is removed when their storage is no longer necessary.

## **9 Protection of Personal Data File**

Only those persons with a need to process Your data in connection with the fulfillment of their tasks in accordance with the purposes of this Privacy Policy and for the purposes of performing technical maintenance, have access to the Data File. All data contained in the Data File are protected in accordance with general industry practice.

## **10 Links to Third Party Websites**

The Service may contain links to third party websites, such as Twitter and Facebook. The linked websites are not under the control of Mobile Software Solution and Mobile Software Solution is not responsible for any content on such third party websites or the links that they may contain. Should You visit a linked website, MDG through which Mobile Software Solution recommends You to review the privacy policy and other applicable terms and conditions of the third party website in question.

## **11 Further information**

Should You have any questions relating to this personal data file description, please contact us at [mobilesoftware.com.ng](http://mobilesoftware.com.ng). You can also find additional information on the use of the Service in our **Terms of Service** .
